Alumni Testimonials	

YASH GOGRI
PGDM Batch 2021-23

I, Yash Gogri, the president of the student council at SASMIRA's Business School, pursuing my PGDM from SBS may be the one of the best decisions I have made in my life. In terms of career, no doubt it moulds your personality into a cut above the rest and into just the right kind of person the corporate world demands for. Our institute allows us to not just major in Marketing, finance or HR but also gives us an option to pursue a minor specialization along with the major subjects. My minor subject is international business. And the corporate world these days are really looking for MBA Graduates who have knowledge about more than just the generic major subjects.

But the real credit goes to the conducive work culture at SBS. Here, we study and grow together as a family. The faculty takes utmost care of the students and gives personal attention to each of the students. I owe my gratitude to SBS for not only imparting knowledge, but imparting values as well, which in my opinion, takes a person a long way in life and career. This might not be the case in every other college. So Thank you SBS for my metamorphosis

Anmol Patankar
PGDM Batch 2022-24

I, Mr. Anmol Patankar, would like to express my sincere gratitude to Sasmira's Business School for helping us at each and every step of our professional career. The institute provided us with the best possible platform and infrastructure to excel in our career interests. The expert faculty members made us industry ready, while the placement training helped us to enhance our soft skills which made us stand out from others. We had the good fortune to work with the best organizations for our summer internships like Amul Ltd., Overseas Polymers Pvt. Ltd., Finlatics, Britannia and many more.

Our infrastructure too motivated us to proudly say that we are the students of Sasmira's Business School. Many seminars and webinars are conducted to guide us in all possible ways. We are proud to be a part of Sasmira's Business School. Thank you.

KANCHAN GUPTA
PGDM Batch 2024-26

I would portray my continuous excursion at Sasmira's Business School as energizing and dynamic. All sessions conducted are intellectual and intriguing in nature. The best thing about being a student here is the number of additional opportunities that were given to us like case studies, discussions, role-plays, live projects and national level competitions which fused administration and group abilities.

A lot of seminars and conferences are held very frequently, which gives a lot of practical exposure. Even pre-placement training and assistance provided to all the students made us

adequately able to confront the company interviews and excellence for facilitating our profession. The institute is headed by visionary leaders who think ahead of time and I am proud to be associated with Sasmira's Business School.

VISHAL KHEDEKAR
PGDM Batch 2018-20

Sasmira's Business School has been an incredible contributor towards the advancement of my personality. By participating in various events, discussions, and competitions provided by the institute, I was able to develop leadership, time management, and team skills. The faculty is consistently prepared to help and guide us and consistently goes about as a mentor. Students are given classroom teachings, but real-time case studies and hands-on industry experience with field project works.

The placement team of our institute constantly made efforts towards placement opportunities and made every individual corporate ready. A big thank you to Sasmira's Business School for giving me wings of wisdom to fly.
